Yes, that means no charge for entering the Outer Rings Show if you've cross-entered Saturday MAR!!! Winner, winner, 🍷 dinner!

### Show Day Organization - multiple tables to save time (think of Anchors Aweigh-style)

Most sections' breed (AND workmanship, if space allows) classes will be set up for judging at the start of the show. Tables will be earmarked for all sections; all classes within the specified section will load before judging starts. For example, Vintage CM Breed classes will be called up – entrants will bring their models to the designated table and set them down in the area indicated by the class signs. Filling of the rings will start at about 10:00 am.

We'll take some extra time to fill all the sections/classes before we start the show (or as many as we can). Entrants will be asked to leave their models on the table until all the breed classes for the section are judged – all models in that section will be released at one time. Please do not remove your model(s) until announced by the judges. Red and Green tent cards will be used to indicate whether it is okay to remove models.

- **Green tent cards** – judging is completed, please remove your models.
- **Red tent cards** – judging is not completed; please do NOT remove you models.

Once all breed classes are complete, we'll set up for workmanship in a similar manner. This should make it easier on everyone, especially those who have offered to judge in both Shows, as it will allow them to set out their models.

For planning purposes, I am asking that entrants approximate their entries per section. The table for approximate entry numbers is located on the show form. Thank you!

Tags: Each shower must provide a tag with the model's name and your initials on one side, and the model's breed, gender, and age on the other. **Remember:** place the breed, gender, age side up of the tag for judging. Failure to do so will be cause for disqualification.

Tack: No tack on the model please (unless it's molded onto the model). These are halter divisions; the models must be naked.

No Holds: There are two shows happening at once and to keep both shows moving, judging will not stop.

Disclaimer

Morgan and other Show judges and the show committee may not be held responsible for any lost, broken, or missing property or injury to any participants. Enter and bring yourself and your models at your own risk. Entry into the show means you accept this. If you bring anyone extra (spouse, parent, friend, etc.) they must abide by these terms as well. There are no refunds once your entry has been received.

Directions: Please check MapQuest, Google maps, Bing Maps, etc. or email for directions. GPS directions generally works well.

Lunch/Food: Outside food is permitted! There will be a lunch break – probably starting around 12:30 pm for 1 hour (During which time the MAR color challenge classes will be held). There are a few fast-food places within a short drive from the hall: Subway, Domino's Pizza, Arby's, McDonalds, Taco Bell, etc.
